1 Cat & Mouse

REACTION + ACCELERATION

1. Mouse (M) and Cat (C) start level, each in their own gate, ready stance
2. Mouse goes when they choose and sprints **straight** to the line
3. Cat reacts and runs an **angle** to tag before the line
4. Swap roles every go

Two start gates, side by side, ≈ 3 m apart

💡 **Cat winning every time? Move the gates a step further apart.**

2 Gate Grab

ACCELERATION + DECISIONS

1. A and D start level, one each side of the cones
2. Both sprint **straight** down the lane
3. A cuts through a gap before D gets there
4. Slow down or stop, but **never go back** to a gap you passed

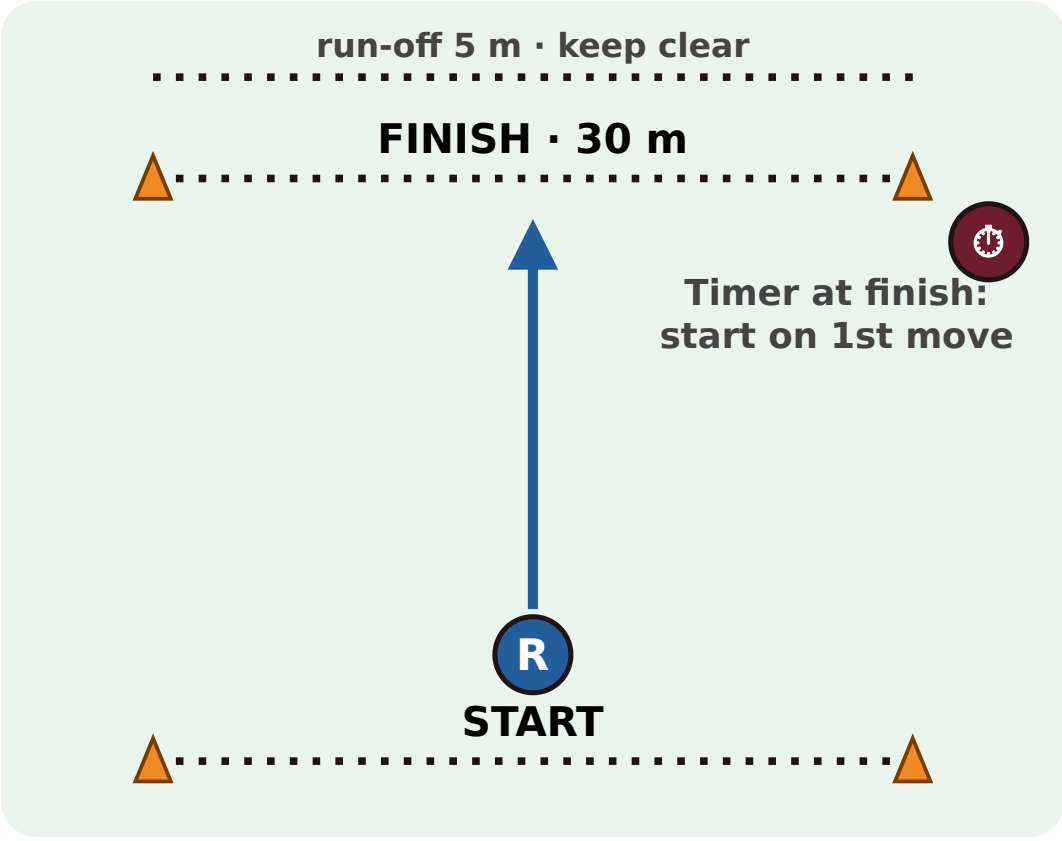

💡 **Change speed, then go. Swap roles every go.**

3 Beat Your Combine

TOP SPEED

1. Write your Combine 30 m time first
2. Partner times you: start the watch on your **first move**
3. 3 tries to beat it
4. **Rest 60 seconds** between runs

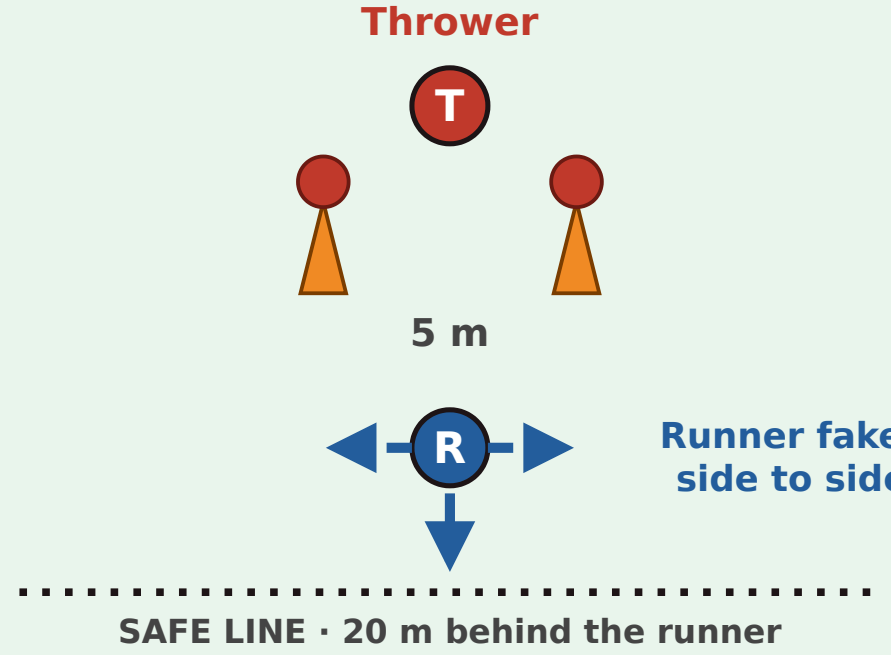

💡 **Drive your arms, stay tall, run THROUGH the finish line.**

4 Dodge & Dash

REACTION UNDER PRESSURE

1. Runner (R) shuffles and fakes between the two balls
2. Runner taps one ball off, turns and sprints 20 m
3. Thrower (T) grabs **that** ball and throws at the runner
4. Swap roles every go

💡 ⚠️ **Soft balls only · aim below the shoulders · head hit = runner's point**

5 Mirror Breakaway

CHANGE OF DIRECTION

1. Each player has 2 cones, 7–8 m apart · face each other
2. Leader (L) moves side to side faking · Follower (F) mirrors
3. L touches a cone, F must touch the **same side**
4. L bursts through F’s gate untagged · swap after 3

💡 **Low hips, quick feet: the first step decides it.**
